

## 'Spatial Disorientation'

The General Aviation Joint Steering Committee (GAJSC) and your local FAA Safety Team (FAASafetyTeam) are working together to present a monthly topic that improves Aviation Safety. December's topic is "Spatial Disorientation". The GAJSC is working to improve General Aviation safety through data driven risk reduction efforts that focus on training, education, and outreach.

**Directions:** For detailed driving directions please use GoogleMaps, MapQuest, Rand McNally or similar.

### **A message from the National FAASafetyTeam Manager**

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at [www.FAASafety.gov](http://www.FAASafety.gov)!

The FAA Safety Team (FAASafetyTeam) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
